WORK EXPERIENCE

AMV

Nov. 2023 – Present

Full-Stack Developer

Houston, TX

- AMV specializes in the resale of refurbished technology, providing affordable quality products.
- Revamped the company's inventory application as a Full-Stack Developer, completely redesigning and rebuilding it to improve efficiency and functionality.
 - Implemented new features and enhancements, resulting in a more user-friendly and streamlined application.
 - Utilized technologies such as MERN Stack, React, CSS, Node.js, Express.js and MySQL to Modernize the application and enhance its performance.

USAShelco

Jan. 2022 – Mar. 2023

Junior Engineer

Houston, TX

- As a junior Engineer, I collaborated closely with a dynamic engineering team, contributing to the design, development, testing and maintenance of diverse engineering projects.
 - I played a key role in the conceptualization and design of efficient assembly line flows within factory settings

Whole Foods Market

Jun. 2020 – Dec. 2020

Sales associate

Houston, TX

- As a Sales associate I assisted customers and maintained product displays.

Hobby Lobby

Sep. 2013 – Oct. 2018

Certified Framer

Houston, TX

- As a Certified Framer, I creatively designed and crafted custom frames, ensuring perfect presentation for cherished artwork, photos, and memorabilia.

EDUCATION

Rice University

Dec. 2024

Full Stack Coding Bootcamp

Houston, TX

Lone Star College

Dec. 2019

BS, Mechanical Engineering

Cypress, TX
